Certificate ID: 8bc3d9b4-8df8-4fb2-b3ab-66c4286bc635

Security Clearance Certificate against WAPT of URL:
<https://abdm.medixcel.in/> of Plus 91

Name of the Organisation: Plus 91

Audited URL: <https://abdm.medixcel.in/>

Audit Performed by: Srilikhith Sajja

Issuing Date: 23rd August 2022

Testing Period:

1st Assessment: 21st July 2022 – 14th August 2022

2nd Assessment (Compliance / Verification): 19th August 2022 – 23rd August 2022

This is to certify that the M/S Plus 91 has fixed the vulnerabilities reported during the first assessment for the above-mentioned URL and it is free from all vulnerabilities (as on date of second assessment) as per Cert-In standards, OWASP Top 10 & SANS Top 25 benchmark and is safe for hosting. Our opinion is valid for the period during which testing was conducted and as per the scan policies. It is advisable to conduct audit periodically in case of no change in content and environment. In case of any change in content and/or environment, it should be followed by an audit. Projection of any conclusions based on our findings for future periods and application versions is subject to the risk that the validity of such conclusions may be altered because of changes made to the application and/or system, or the failure to adhere to the changes to the system when required.
